

M VICTORY TO-DAY FOR GIANTS MAY CINCH NATIONAL LEAGUE FLAG

If Phillies Break Even They
Can Only Tie by Win-
ning All Games.

Although the National Commission concedes the pennant to the Giants the prize is not cinched yet. But the Giants are so close to it that the fans are justified in starting the celebration.

The Giants have eleven games to play, including their engagement today with Brooklyn at the Polo Grounds. The Phillips are scheduled to play thirteen games, including the double clash to-day with Boston. If the Giants win this afternoon and the Phillips break even against Boston it will be time for the button and pennant vendors to display their stock.

Victory for the Giants will give them 96 games won and 46 lost. An even break for Philadelphia will give them 95 games won and 46 lost. If the Phillips were to win all their remaining games they would have a record of 96 won and 46 lost. The Giants could lose all their games after winning to-day and have a record of 96 won and 46 lost. So that victory for the Giants to-day, while the Phillips are breaking even, practically sews up the pennant right.

7 TO 5 THAT MATTY FAILS TO DEFEAT ATHLETICS.

CHICAGO, Sept. 26.—The Athletics are slight favorites for the World's series in the first betting slate chalked up here, with the odds to-day standing at 6 to 5, but threatening to veer back to even money. As good as 7 to 5 is being laid here that Mathewson fails to win a game.

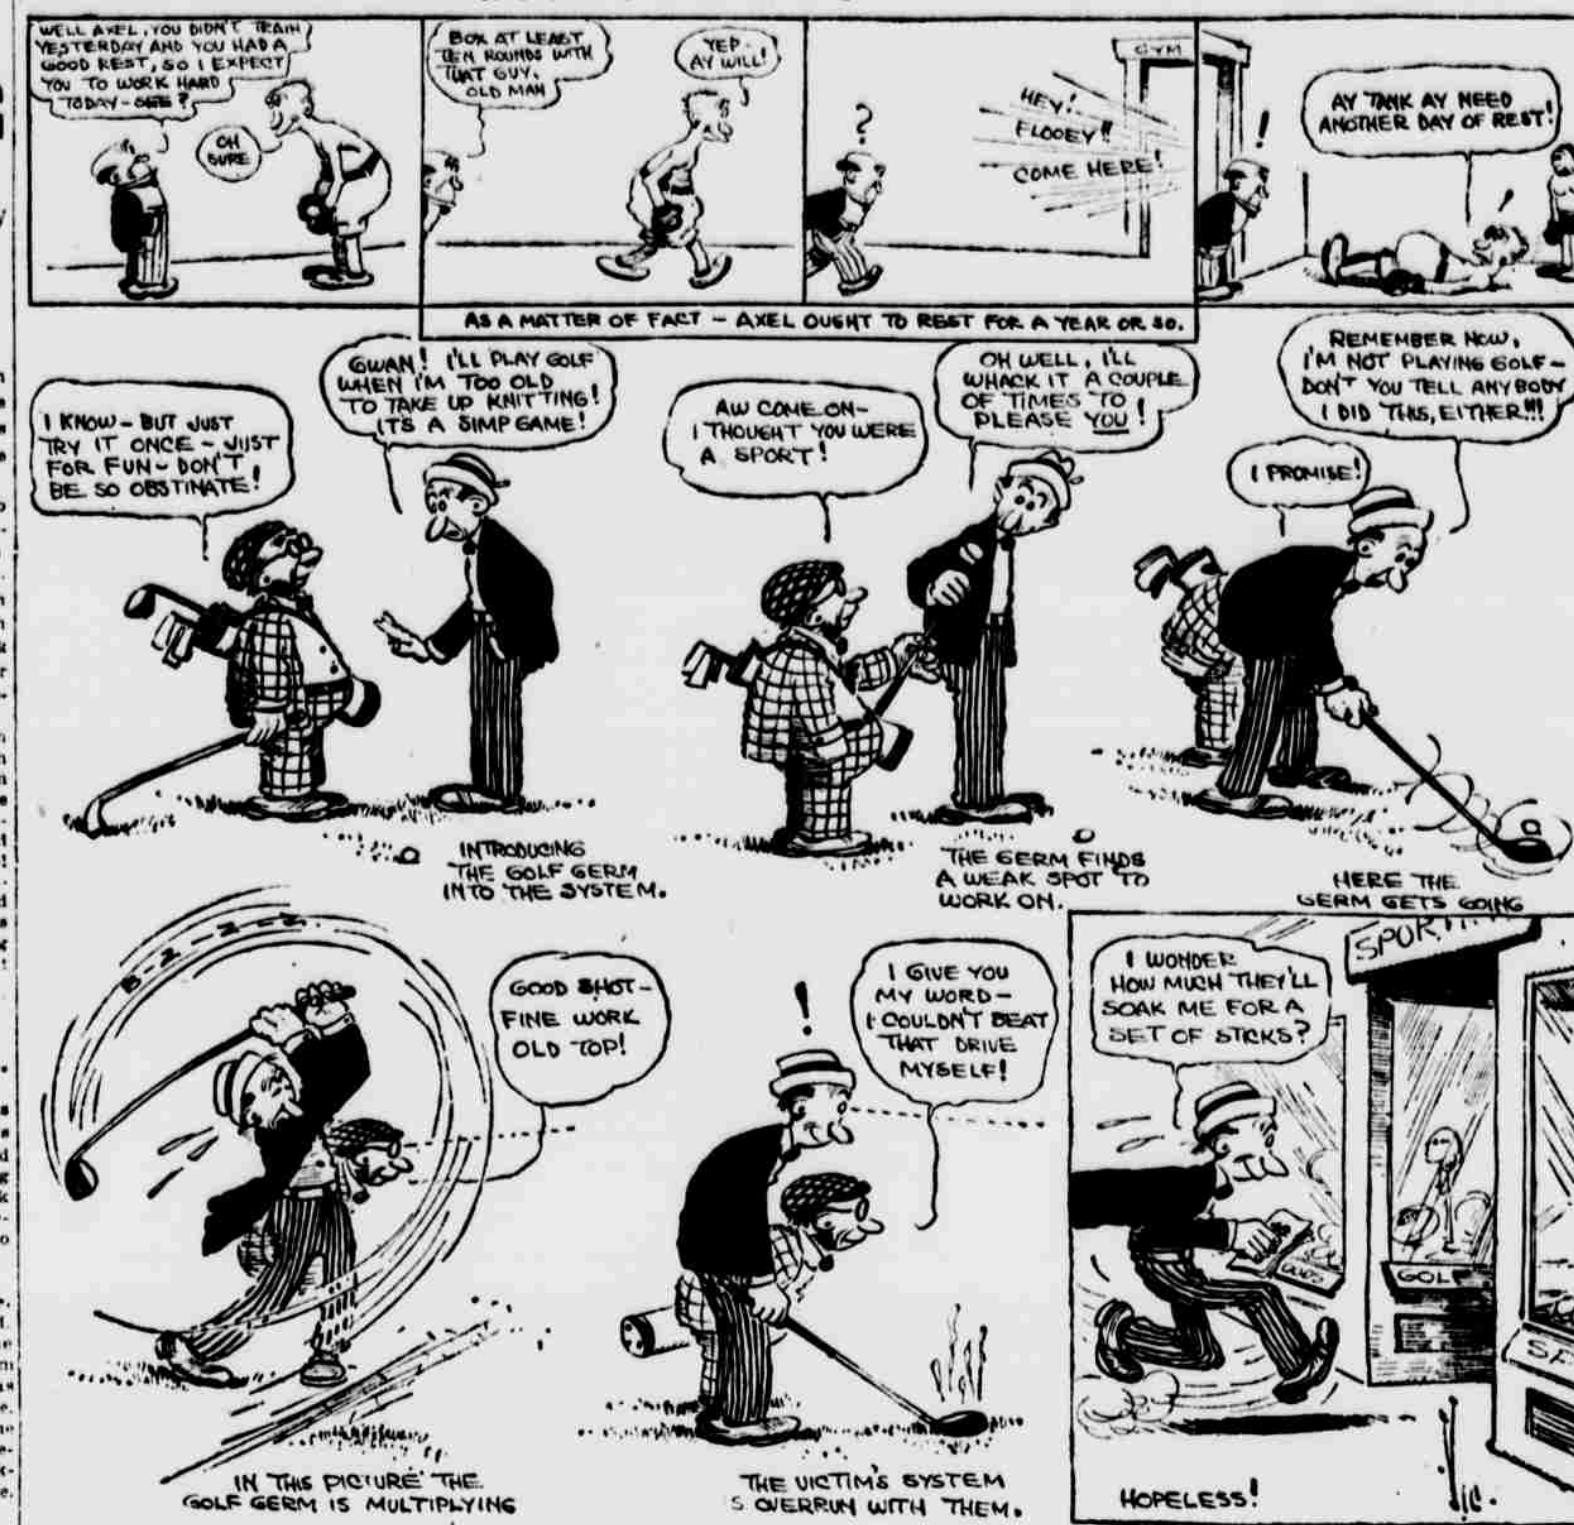

American Even Lands Checker Title.
BINGHAMTON, N. Y., Sept. 26.—M. E. Pomeroy of this city won the world's championship at checkers from Alfred E. Jordan of England, who has held undisputed possession of the title. The competitors were tied up to the fifteenth game at one victory each. Pomeroy learned to play the game in a hardware grocery store at Sidney Centre, N. Y., his home many years ago.

Kilkane Outclasses Goldberg.
ROCHESTER, N. Y., Sept. 26.—Johnny Kilkane, the featherweight champion, was declared the winner of his ten-round bout with Joe Goldberg, who had excellent form but Kilkane outclassed him. There was plenty of action.

BASEBALL NOTES.

OAKLAND, Cal., Sept. 26.—Infielder Arthur Devlin has been purchased from the Boston National League team and will be the playing manager of the Oak-

land team of the Pacific Coast League in 1914. He will report Oct. 1 and play during the remainder of the present season.

HARTFORD, Conn., Sept. 26.—Lowell won the minor league championship of New England by defeating Hartford 9 to

1. It was the sixth game of the series between the New England League and Eastern Association pennant winners, and the fourth victory for the Bay Staters.

BOSTON, Sept. 26.—Tris Speaker, the Red Sox outfielder, was operated upon

yesterday for a tumor back of his ear. He will probably be out of the lineup for several days, possibly for the balance of the season, but President McAlister said to-day that he would be available for the coming city series between the Sox and the Braves.
